SPRUCE GROVE ART GALLERY

We are your community partner in the arts.

Hello! The Allied Arts Council of Spruce Grove (AAC) is a registered charity and non-profit society whose mandate is to be the community's link to the visual arts. We provide a gathering place for people and artists of all ages and skill levels, whether it is to take classes, participate in art competitions, or to meet others who love art.

We are dedicated to our members and to our community, and we operate the Spruce Grove Art Gallery year-round, five days a week.

What can we offer you? Business Membership.

- **More than Words** - Business membership is \$250/year. Business membership is not a donation but a mutually beneficial partnership of active support between the AAC and your business.
- **Your Wall - Our Art** - As a Business Member, we can provide art for your space at no cost to you. That bare wall in your office or waiting area can become a mini gallery. We will work with you to curate artwork that reflects your style and complements your decor. We will handle the curation, hanging, and sales through an online portal. Artists are responsible to insure their own artworks.
- What do you do? Just refer interested patrons to our website.

- **Your name on our platforms.** The AAC recognizes our Business Members on our website, social media platforms, and in our written materials. We will share your messaging in our newsletters to our members and our growing public mailing list. You are a business supporting local artists of all ages, and we want to tell the world!

- **Team-Building** - We can provide the space (online), resources, and instruction at reasonable cost for team-building arts activities. This is a fun evening that builds camaraderie among you and your employees or volunteers and helps our gallery and our instructors at the same time. Quotes provided upon inquiry.

Tailor your support in a way that works for you...and us.

- **An art prize in your name!** Our competition prizes can be awarded by you or a member of your staff or by us in your name. This is a fun opportunity to directly engage with artists at a time when they are being awarded for their hard work.
- We offer the following prizes at all our competitions. You can choose any one show to sponsor with your business membership. We have held both online and hybrid online/galleryshows and competitions in 2021.
